# Online Booking Platform

Online Services reduce the cost and time of corporate travel, empowering the modern business traveler.

Easy-to-use features for air, car, and hotel reservations - supported by powerful, intuitive and efficient search capabilities.

Customize your system to suit your business needs – employee profiles, travel policies, preferred suppliers, trip approvals.

Search results for Miami, US To Paris, FR - 3/8/2016 and Paris, FR To Miami, US - 3/15/2016. The interface shows a table of airline offers with columns for nonstop, 1 stop, and 2+ stops, and prices ranging from \$615.80 to \$930.40. Below the table are filters for Outbound Departure, Outbound Arrival, Inbound Departure, and Inbound Arrival, all set to 4 selected. A 'Sort By' dropdown is set to 'Price (Low)'. The results list three flight options from Turkish Airlines, each with a total time and a price of \$615.80, all marked as 'In Policy'.

Nonstop	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27	\$ 893.27
1 stop	\$ 615.80	\$ 897.77	\$ 897.25	\$ 897.77	\$ 897.77	\$ 925.12	\$ 897.77	\$ 897.77	\$ 897.25	\$ 930.40

Increase compliance and enhance visibility on the road with a mobile travel tool unlike any other.

## Expense reports done for you, not by you.

Our automated process helps your business track expenses, reimburse team members, and control spending.

### How it works:

#### 1. Capture

We automatically collect your credit card transactions so you can capture receipts on the go with our mobile app.

#### 2. Expense

We'll read your receipts, match them to credit card charges, and identify what's reimbursable.

#### 3. Submit

We then create a smart expense report for you automatically, letting you just review and submit!

#### 4. Approve

If you're a Manager, you can review and approve on the go, or right from your email.

#### 5. Reimburse

And, huzzah! Reimburse and process expense reports before sending them to your accounting system.
